Dear []

I received your letter from Oct. 18th

Here at the University things are going as usual.
I hope to have a stronger Track-Team than last year.
Furis is back from his fine trip to Madrid, and is
studying hard. to ^{be} graduate in June.

Our friends will play here on thanks giving-
day. I am not sure that I am going to be
at this time in Denver, because it is possible that
I will accompany my cross-country team on 22nd
and 26th of Nov to the NCAA meet in Michigan
State University at East Lansing, and ^{to} the US open
championship in Ohio State University at Columbus.

If I am in Denver, I will follow your instruc-
tions and just watch the games.
It is possible that Furis may exchange some words
with M. since he knows him from Chile and
Rome; just an informal Hello. If you feel it
is not convenient, let me know.

As I understood from your letter, one of your

friends is going to see me before Christmas;
My Christmas vacations begins on Friday 7th
of Dec. and on that day I will leave for L.A.,
because on Sunday 9th of Dec. in Culver City
will be the U.S. National and at the same
time trials for Pan Am games in the Marathon
race. I have been appointed meet official.
I want also to use this opportunity to meet
Orange State College President to work out
more details about my possible transfer to this
College next summer.

I will be back in Denver the 15th or 16th of Dec.
Last week I had a surprise visit from one high
official from Wash. D.C. - Peace cone - whom I met
in W. D.C. last summer. He is now in Asia and
Africa selecting Track men, whom he will
bring to the U.S. for the coming Track season.
This boys will be located in different Universities
for working out under US Coaches and to compete
in college meets.

also this program includes to bring
south American athletes. I was asked to
select there athletes from S.A.
I am working this out in these days.

Best wishes!

yours truly,

Ed.
